Dear Christen Cub Parents,

We would like for our students to remain in their classes throughout the day it is imperative that students remain in their classes during their scheduled time. We would like to decrease the number of students that are missing out on instructional time. We understand that emergencies arise and that is completely acceptable: family emergencies, doctors' appointments, etc.. If you do have any questions please don't hesitate to call the attendance office.

At Christen Middle we encourage all parents and grandparents to become parent volunteers. We know that establishing a great relationship between parents and our school will set a good, strong, and solid foundation for our children. If you are interested in becoming a parent volunteer, please do not hesitate to come by and pick up an application.

Dear Parents: Students **are not allowed** to leave before 4:15 pm Monday—Thursday. **Do not pick up your child early.** When a child is not in class/school, he/she misses out on learning. We need to work together so that children are in school 100% of the day.
